Title: Hooded coat

Designer: Melissa Wastney

Magazine page: 43

15 sheets

1

The diagram shows a pattern for the back of a hooded winter coat. It features a curved neckline on the left side that transitions into a straight line. A horizontal line is drawn across the top, and another horizontal line is drawn below it, creating a rectangular section. A vertical line is drawn on the right side, extending from the top horizontal line down to the bottom horizontal line. A horizontal line is drawn at the bottom, extending from the left edge to the right edge. A double-headed arrow is positioned below the bottom horizontal line, indicating a fold line.
