1 Stick spare paper to the extending edge of the panel as indicated.
Lay a ruler along the crosswise grainline and extend the piece by 18cm.

2 Measure 18cm down from the extending edge at two further intervals between the centre front and side seam edge, and mark these positions.

3 Draw a line to join all the marks, then lay a ruler along the centre front edges and the side seam edges, and draw along them to complete the pattern pieces.
